5. PUBLIC FORUM - (maximum 3 minutes per person with an overall limit of 15 minutes). All parishioners wishing to speak, must make their name known to the Clerk prior to the commencement of the meeting.

Mrs N Brown queried why traffic monitoring had been initiated on Nutham Lane as it is a dead end and if Southwater Parish Council had anything to do with it. The Chairman confirmed that the Council was not involved and it was simply coincidence that WSCC was doing a survey of traffic in the area. Mrs N Brown stated she had spoken to the traffic surveyor and he confirmed that he was not WSCC. The Chairman explained that WSCC would in any case have had to give

permission and would try to find out with HDC if there is any planned development and if so the number of units. The Chairman also stated the Council had not taken any pre-application advice with relation to Nutham Lane. Cllr Cole stated that he had noticed there was also a vehicle counter north of Worthing Road.

Mrs N Brown referenced item 110:19 at Full Council Meeting 20th November 2019 and how the Woodlands and Public Open Space Report had Option B approved and asked how the Council would proceed with such disposal and how public would be consulted. The Chairman stated that despite the statement on the website there appeared to be no previous policy approved by the Council which references disposal of public open space and woodland. He explained that the woodland and public open space was causing incredibly large expenditure demands and previously home owners who have historically requested to extend their gardens had been refused in the past and a conversation with public would be considered prior to any such disposal.

Mr Conde stated that there were industrial bags of salt, grit and sand at the end of Nutham Lane outside the allotments and expressed his concerns that they were harming the ecology of the area, causing an eye sore and obstruct the path. The Chairman requested Cllr Williams investigate and report back to the Assistant Clerk to progress matters.

Meeting reconvened.
