Three positive decision notices for the applications at Easteds Barn had been received from Horsham District Council. The Play shelter (DC/21/0511) to the rear can only be used between the hours of 8am and 6pm Monday to Friday. There is also a requirement for planting to be progressed outside of the nursery site (DC/21/1539) on Parish Council land and the Council will be working up the information needed to be submitted for that with the assistance of Squires Planning.

6. CORRESPONDENCE

Executive Officer updated the Committee that further correspondence had been received from Horsham District Council regarding Water Neutrality. Some applications, without the requirement to address Water Neutrality, were now being considered by HDC. The information would be posted to the website.

7. HIGHWAYS, DRAINAGE, STREET LIGHTING, STREET NAMES & NUMBERS, VERGES, FOOTPATHS AND RIGHTS OF WAY - To discuss and approve any matters in relation to the above

Councillor Moore advised that he contacted MP Jeremy Quin for his support with respect to the flooding issues and works required at Cripplegate Lane and whether he could assist County Councillor Nigel Jupp. Repairs are still required to the collapsed drain.

Councillor Moore advised that he had provided a report of all SPC streetlights to the Executive Officer which former Councillor Robert Stranks helped compile. The Executive Officer was in the process of arranging a survey to identify works, review condition and assist with budgetary provision to upgrade and thus the budget setting process.
