NEWS RELEASE

Easteds Barn, Southwater

Southwater Parish Council at its Annual Meeting of Council on the 30th May, made a decision to enter into legal negotiations with a third party who is interested in leasing the Barn. Whilst this proposed lessee is a commercial organisation, this proposal would be providing services to the community by way of childcare. It has been identified that this is something which is needed within the community, there being a deficit of pre-school places within Southwater at this time and would comply with the original land Covenant restricting the use of the building to D1 use.

The Parish Council remain committed to working with all community groups to ensure that where possible, the community of Southwater has facilities to meet the growing demand. The Parish Council will be discussing future possibilities to enhance facilities, with such groups and with the District Council Leisure Services.

31st May 2018

About Southwater

Southwater is located within Horsham District and is one of the largest rural communities in West Sussex. The Parish has 10,500 residents and includes the village of Southwater, Newfoundout, Christ's Hospital, Tower Hill & Two Mile Ash. At the heart of the village lies Lintot Square with a wide variety of excellent shops, pubs, restaurants, library, post office, youth centre and health centre. Elsewhere within the Parish are two business parks, home to local companies and some of the largest businesses in the District. Recreation opportunities include our very own Leisure Centre, Country Park, and a huge range of sports and community clubs.

End.
